

## LIBERTY TRAVEL OFFERS SAVINGS UP TO 75% IN LARGEST SUMMER VACATION SALE OF '09

LIBERTY Travel is making March the best month of the year to book summer vacations with a sale that includes hundreds of packages to destinations all over the globe and savings up to 75%.

This makes Liberty Travel's Summer Vacation Sale a sure contender for the biggest travel sale of 2009 – quite a title, considering 2009 is slated to be one for the books when it comes to deals on travel.

"There's been so much talk about this being a year full of opportunities to take some truly great trips," said President of Liberty Travel, Billy McDonough. "Throughout March, travelers are going to many of these opportunities rolled into one sale."

He added, "Anyone with even a vague notion of taking a vacation this summer needs to check out this sale."

Topping the list of deals is 75% off stays at Divi Village Golf & Beach Resort in Aruba, an offer available exclusively through Liberty Travel. Kids 15 and under stay for free at this 3.5-star resort, adding even more value for families. Packages that include round-trip airfare and transfers start at \$629 per person for four-night stays.

Part of the Summer Vacation Sale, but already a top-seller, is a deal on vacations in Walt Disney World – travelers who book a four-night stay will get three additional nights free, including theme park tickets.

This "Buy Four, Get Three" offer made its debut late last fall, but due to popularity is now valid on travel until 8/15/09. Packages that include round-trip airfare, transfers and accommodations at Disney's All-Star Music Resort start at \$632 per person. The book-by date is 3/29/09 and packages are selling fast.

These are only a sample of the hundreds of offers that will be available throughout March, which include vacations and cruises throughout the Caribbean, Mexico, Hawaii, Europe, French Polynesia, and more.
