

## AT LIBERTY TRAVEL, A NEW WAY TO ESCAPE: W RETREAT & SPA, VIEQUES ISLAND

Fans of high-end, luxury resort and spa getaways have "a new way to escape" – the W Retreat & Spa, Vieques Island, a newly unveiled property from the innovative W Hotels Worldwide, now available for bookings at Liberty Travel.

Set eight miles off mainland Puerto Rico, Vieques Island is one of the Caribbean's best-kept secrets, an undiscovered gem of paradise 21 miles long by four miles wide, part of a group of islands sometimes referred to as the Spanish Virgin Islands. The island is largely undeveloped, boasting stunning nature and wildlife. Attractions include bioluminescent bays, fantastic snorkeling, white-sand beaches, a Spanish fort, a 300-year-old ceiba tree, archeological sites and former U.S. Navy bunkers.

Vieques provides a level of seclusion that perfectly complements W's "new way to escape," which blends the brand's signature sophisticated style with a unique list of amenities and activities designed for both adventure seekers and leisurely travelers.

Key features include:

- 157 stylish guestrooms and suites with private patios and balconies that offer views of the islands beaches and blue waters
- An exciting epicurean experience at miX, featuring organic, local ingredients handpicked from the island's growers
- W Cafe for the on-the-move traveler
- Spa Chakra, a serene sanctuary offering seaside yoga and authentic holistic treatments inspired by the island
- Paradise Edge, a lush garden sanctuary
- Lawn, an intimate locale
- Fire Pit, an outdoor space that merges nature with luxury
- SWEAT(R), 24-hour fitness center with personal training
- Two secluded shorelines
- WET splash pool bar, and private cabanas overlooking the ocean
- Tennis courts
- Wired, business center with all the necessary tools for those who need to stay connected while away
- W Hotels The Store, the W brand's stylish take on the traditional hotel gift shop.
