

## A World of Ways to Enjoy ‘World of Color’

*Tonight marks the world premier of "World of Color," a new, nighttime spectacular in Disney's California Adventure Park that celebrates color, music, water, fun and the pleasures of Disney storytelling. With anticipation running high, here's a look at all the facts you need to know to make "World of Color" a part of your vacation at Disneyland:*

### **Schedule and Tickets**

World of Color will be presented twice nightly throughout the Disneyland "Summer Nightstastic" season (June 11 – August 28, with the exception of June 16 and 17). Shows are scheduled for 9:00pm and 10:15pm. Guests will stand during the shows and they may bring strollers into the viewing area.

To attend the show, you will need to obtain a special FASTPASS for “World of Color” or select from several Dining and Picnic packages that include reserved viewing. Guests who do not obtain a FASTPASS or reserve dinner packages for “World of Color” may still watch the show from viewing locations on the boardwalk side of Paradise Bay.

### **FASTPASS**

The FASTPASS for “World of Color” will be available each morning at the Grizzly River Run FASTPASS terminals. As with other FASTPASS attractions, a limited number of passes are available for “World of Color.”

You can arrive before park opening to line up for the “World of Color” FASTPASS. Beginning at 7 a.m., park in the Pumbaa parking lot on Disney Way and gather at the Main Entrance to Disney’s California Adventure. When Disney’s California Adventure opens to the public, guests lined up for FASTPASS will be escorted into the park and over to the FASTPASS terminals by a Disney cast member.

### **Meals with Reserved Viewing**

In addition to the FASTPASS for “World of Color,” a selection of special-themed dining package options, which include reserved viewing, are available, including “World of Color” Picnic Meals at Golden Vine Winery (priced at \$14.99) and Prix fixe meals at the Ariel’s Grotto restaurant (starting at \$29.99 for adults; \$15.99 for children) and the newly redesigned Wine Country Trattoria (\$39.99 for adults; \$18.99 for children).

Boxed picnic may be ordered online at Disneyland.com (up to 60 days in advance) or by walk-up purchase at the Sonoma Terrace at the Golden Vine Winery beginning June 11 (opening day). Prix fixe meals must be reserved, at 714-781-DINE.

**Glow Fest**

In addition to "World of Color," a new immersive "Summer Nightastic!" party, "Glow Fest," will bring added evening excitement for Disney's California Adventure guests of all ages. "Glow Fest" will be filled with dancing, music and fun, highlighted by special color, sound and light effects, starting in the Sun Plaza at 6 p.m. nightly and continuing in Hollywood Pictures Backlot until park closing.
