

ALL-INCLUSIVE DEALS AT LIBERTY TRAVEL

Right now at Liberty Travel, vacationers looking for a late summer/early fall getaway can book a four-night all-inclusive vacation in the Dominican Republic for as little as \$379 per person.

The resort is the Melia Caribe Tropical, a sprawling property set on 135 acres that opens onto a palm-dotted beach that is a popular choice for family vacations, romantic getaways, and island weddings. Buildings are Spanish-style low rises with red tile roofs. The property features elaborate gardens with fountains, sculpture, and wading ponds home to flamingos.

Travel dates range from August 21 – October 31, making this a good option for travelers looking for a last-minute summer getaway as well as those shopping for an early fall vacation.

All-inclusive resorts are one of the most popular styles of travel for vacationers heading to warm, beachy destinations like the Caribbean and Mexico. All-inclusive plans can often be more affordable and often more relaxing, as paying bar tabs and restaurant bills is not a concern while staying at an all-inclusive resort.

At the moment, Liberty Travel has numerous other deals on offer for vacations at all-inclusive resorts:
