

BOOK BY AUGUST 17 TO SAVE 60% AT FAIRMONT SOUTHAMPTON

With a last-minute, limited-time offer available at Liberty Travel, vacationers can save 60% at one of Bermuda's top resorts, The Fairmont Southampton, when they book by August 17, 2010. With the savings, a price for a four-night stay is \$466 per person -- a bargain for a 4.5-star luxury resort that overlooks Bermuda's famous pink-sand beaches and features its own private beach club. Guests will also enjoy complimentary daily breakfast and unlimited green fees at the Fairmont Southampton Golf Course.

While bookings must be made by August 17 in order to take advantage of the 60% savings, the window of travel dates is much wider: the savings are valid on stays between now and March 31, 2011 (with the exception of certain black out dates). This makes this offer a great opportunity for anyone looking for a late summer, fall or winter getaway.

The Fairmont Southampton boasts a fantastic location, perched on the island's highest point, offering spectacular views of the turquoise waters, sandy beaches, and lush green landscape. It is a popular resort for families and couples. In addition to the 18-hole golf course, the property also boasts the full-service Willow Stream Spa, tennis, a pool, a children's program and six restaurants, including The Newport Room, the first-ever AAA 5-Diamond restaurant in Bermuda and the Caribbean. Guestrooms are some of the most spacious on the island and have private covered balconies.

Travelers can call 1.877.Liberty or inquire online at LibertyTravel.com for bookings and full terms and conditions.
