

## AFFORDABLE FALL EUROPE CRUISES WITH LIBERTY TRAVEL'S ULTIMATE EUROPE SALE

Liberty Travel's Ultimate Europe Sale has the year's best prices on fall and winter travel in Europe, including great deals on European Cruises.

Sometimes referred to as the "off season" (or "shoulder season") the fall and winter are the favored travel periods by travelers seeking to avoid the larger crowds that are typical of the summer months. Fall and winter are also a great opportunity to take advantage of low prices and special offers hotels promote as they vie for the patronage of off-season travelers.

However, hotels are by no means the only places in Europe where travelers will find smaller crowds and fantastic prices during the fall and winter months. The upcoming seasons are also a fantastic time to take a cruise vacation in Europe.

Europe is among the most highly sought-after travel experiences among cruisers. A cruise in Europe offers the chance to explore the continent's rich culture and history, while enjoying the relaxation and innumerable advantages of a cruise: having to unpack only once, enjoying oneself while traveling between destinations, the affordability of having meals included.

Liberty Travel's Ultimate Europe Sale has several great deals on cruise vacations to destinations throughout the Mediterranean, as well as cruises to Greece and Turkey.
