

## NEW 2011 AFRICA & ASIA GLOBUS VACATIONS AVAILABLE NOW AT LIBERTY TRAVEL

Globus, the world's leading operator of escorted tours, has revealed an impressive line-up of exotic destination itineraries for 2011, including itineraries in Africa and Asia. Globus vacations are available for booking at Liberty Travel, and travelers who book early can get discounts of up to \$400 per couple on Africa and Asia vacations, discounts up to \$600 per couple on South America Vacations, and discounts up to \$700 per couple on South Pacific Vacations.

Escorted tours are a style of travel that offers numerous advantages over independent itineraries: they are highly affordable, offer an authentic, in-depth travel experience, the chance to travel in style and comfort, and are hassle-free, with tour directors taking care of all the trip's logistics.

These advantages make escorted tours a natural fit to exotic destinations such as South Africa, Kenya, Tanzania, Australia, New Zealand, Fiji, China, Japan, Tibet, Mongolia, Vietnam, Brazil, Argentina, Peru, Ecuador, Uruguay and Guatemala – destinations that can be intimidating for a first-time visitor traveling on their own. All of these destinations are featured on Globus vacations in 2011.

"At Globus, we understand that travel is about enrichment," said Scott Nisbet, president and chief executive officer for the Globus family of brands. "We help travelers open their minds, meet new people and experience new customs and cultures. With assistance from the best Tour Directors in the business, foreign destinations become familiar harbors."

"Our travelers want to do more than 'see' the destinations they visit. They are looking for unique, authentic experiences. We deliver just that. In addition to providing guided sightseeing and engaging lectures in each destination as well as VIP access and no waiting in lines at key sights, Globus provides travelers great cultural immersion and storytelling thanks to highly skilled guides."

To receive the per couple discounts booking must be made, under deposit and discount applied between August 25 and October 26, 2010 for travel through December 31, 2011. Offers not valid with any other offer except Journeys Club and applies to new 2011 bookings only. Offer reliant on space availability. Full cancellation penalties will apply. Additional restrictions may apply. For full terms and conditions, travelers can visit [globusjourneys.com](http://globusjourneys.com) or call their Liberty Travel Vacation Expert at 1.877.Liberty.
