

Liberty Travel is Giving Away a 7-Day Cruise With Norwegian Cruise Line

Liberty Travel is giving away a 7-day cruise with Norwegian Cruise Line, one of the world's best and most popular cruise lines. Entry forms can be submitted at libertytravel.com.

The giveaway is part of Liberty Travel's CruiseFest 2010, the travel agency's biggest annual sale on cruise vacations. CruiseFest 2010 boasts up to \$2,200* in savings (on an Danube River Cruise with Avalon Waterways, details available at libertytravel.com), as well as exclusive offers on shipboard credit, stateroom upgrades and reduced deposits.

Norwegian Cruise Line is one of the world's premier cruise lines, known for its unique "Freestyle Cruising®" approach that gives travelers a high level of flexibility in how they enjoy their vacation. There are no set dining times and no assigned seating at meals, there is a robust roster of diversions on every ship that let passengers choose between relaxation and active fun, fantastic programs for kids and teens (NCL is very popular with families traveling with kids of all ages), and a wide selection of stateroom accommodations.

NCL has garnered much attention in the past year with the debut of the *Norwegian Epic*, a cruise ship that boasts some of the most extravagant features at sea, including an exclusive performance by the Blue Man Group and the SVEDKA Ice Bar, where the tables, seating and entire interior is made of ice and kept at a chilly seventeen degrees.

The giveaway is currently accepting entries, and will close for entries on October 29, 2010 at 4:00pm. The winner will be selected in a random drawing on November 9, 2010 and will be notified by phone or email.

The prize includes an ocean view stateroom for two guests on a 7-day cruise with Norwegian Cruise Line. The winner will be provided with booking instructions.

Travelers who don't want to wait to see if they've won and would like to book a cruise today can call a Liberty Travel Vacation Expert at 1.877.LIBERTY or by visit libertytravel.com to inquire online.
