

Liberty Travel Has Exclusive Offer At Seven Stars Resort in Turks and Caicos

Liberty Travel, one of the leading retail travel agencies in the U.S., has an exclusive offer at the 4-star Seven Stars Resort in Turks & Caicos that gives travelers \$100 resort credit.

Set on the white-sand beaches of Grace Bay Seven Stars Resort is perfect for romantic couples as well as families. Its location, adjacent to the marine preserve of Princess Alexandra National Park, is a premier scuba diving spot. Water sports are a popular pastime, and include snorkeling and kayaking in addition to scuba diving. Relaxation is also paramount. A pool with a cascading waterfall is the resort's centerpiece, and there is also a spa (among other things, the \$100 resort credit can be applied toward spa treatments).

Additionally, guests at Seven Stars Resort enjoy upscale suite accommodations, a beach that has been ranked among the ten best in the world, and lush surroundings, and when they book with Liberty Travel, they will also enjoy numerous value-added amenities.

In addition to the \$100 resort credit—which is only available to guests who book with Liberty Travel—guests will also enjoy a fourth night free, an upgrade from a Junior Suite Garden View to a 1 Bedroom Suite Garden View (a three-category upgrade), and complimentary breakfast daily.

With the fourth night free, four-night stays are available from \$1035* per person (pricing valid on travel between January 2 and March 31, 2011 and must be booked by October 31, 2010). Airfare is additional.
