

Liberty Travel Invites Vacationers to Craft Their Own Journey with Huge Sale on Hawaii

On Friday November 5th, 2010, Liberty Travel will launch a huge sale on vacations in Hawaii with savings up to 40%.

For the sale Liberty Travel is offering both "pre-assembled" vacation packages, as well as inviting travelers to "craft their own journey" to the islands.

One pre-assembled package, the 9-day "Spirit of Aloha Journey," features three nights in Oahu, three nights in Maui, and three nights on the Big Island. The package includes car rentals, roundtrip airfare from New York City, and inter-island flights. Pricing starts at \$1635 per person (terms and conditions apply, see libertytravel.com for details).

The promotion also offers plenty of options for travelers who want to build their own travel package, with numerous hotel options on Hawaii's most popular islands, Maui, Oahu, Kauai and the Big Island. Many of the hotel offers on these islands come with a variety of added-value extras, including free nights, room upgrades, and free breakfasts.

Each of these four popular islands offers a different experience: Maui invites travelers to explore, be captivated and be spontaneous; Oahu offers the energy of Honolulu, surf culture, luaus, sunset and sightseeing, and is the most-visited of all the islands; Hawaii, the Big Island is where travelers go to get close to active volcanoes, snorkel with manta rays, visit ancient temples and embark on other unique and inspiring experiences; Kauai is idyllic and rejuvenating, and beckons immersion and relaxation.

Collectively, these islands demonstrate what anyone who has visited Hawaii will attest to: that the fiftieth state in the U.S. is extremely unique, a tropical paradise with a collection of experiences that set it apart from any other travel destinations in the world.

Travelers are invited to build their itinerary based on their travel interests, and the type of experience they are seeking. Liberty Travel's Vacation Experts are of course available to offer advice and to make planning and booking a multi-island itinerary easy.

To book a vacation in Hawaii, travelers can contact a Liberty Travel Vacation Expert by calling 1.877.LIBERTY or by inquiring online at libertytravel.com.
