

Liberty Travel Has Special Limited Time Offer With Princess Cruises

Looking to book an Alaska or Europe cruise vacation? Liberty Travel has a limited time offer from Princess Cruises that includes reduced deposits and up to \$325 onboard savings.

Beginning December 5th and available only for a limited time, travelers who book a 2011 Europe or Alaska cruise vacation with Princess Cruises are eligible to receive coupons worth up to \$325 in onboard savings (maximum two per stateroom). They can also reserve their stateroom for a reduced deposit. Reduced deposit is a helpful feature with short-notice promotions like this, because it allows cruisers to reserve their stateroom for a discounted price. Though they will have to pay in full before they cruise, it allows them to take advantage of limited-time offers even if they cannot pay in full on short notice.

The offer also applies to Princess Alaska Cruisetours. Cruisetours are 10-15 night vacations that combine a cruise with an overland journey into Alaska's wilderness. During the land portion passengers have the opportunity to view Alaska's glaciers, see the wilderness firsthand and observe wildlife, all while staying in comfortable accommodations.

One of the best-known names in cruising, Princess Cruises first set sail in 1965 with a single ship cruising to Mexico. Today, the line has grown to become the third largest cruise line in the world, renowned for innovative ships, an array of onboard options, and an environment of exceptional customer service. A recognized leader in worldwide cruising, Princess offers approximately 1.3 million passengers each year the opportunity to escape to the top destinations around the globe, aboard a fleet of 17 modern vessels.
