

Cruise From New York For Under 500 Dollars With Liberty Travel

Right now Liberty Travel has special offers on two seven-day cruises with Norwegian Cruise Line, sailing from New York City to the Bahamas. Pricing starts at well under \$500 per person for each cruise.

With affordable prices and sail dates in March, these cruises are a perfect escape for travelers in the Tri-State Area, who have endured some of the worst winter storms in decades during the past months. Most Tri-State travelers will not require airfare to get to their port of departure in New York City.

Norwegian Cruise Line is known for the philosophy of Freestyle Cruising[®], which gives passengers freedom to define their own style of cruise vacation, choosing from an array of options for dining, activities, and accommodations. This approach is different than many other cruise lines, where things like dining and dress code operate on fixed schedules. This added level of choice offers much appeal to cruisers, and has helped make NCL one of the world's most popular cruise lines.

The two ships currently sailing out of New York are the Norwegian Gem and the Norwegian Jewel. Cruisers who book a vacation on either will experience Freestyle Cruising[®] firsthand. Both ships feature performances by Second City[®] comedy troupe, fitness centers, spas, Nintendo Wii™ on two-story screens, waterslides, climbing walls, pools, hot tubs, kid's centers, teen discos and more, as well as individual features that make cruising on each ship a unique experience.

Highlights aboard the *Norwegian Jewel* include 12 restaurants specializing in a variety of cuisine, such as Asian, Russian and Italian; and 11 bars and lounges, including the Sky High Bar, a beer garden that resembles a hot air balloon. The *Norwegian Jewel* sails from New York on March 27th, on a seven-day roundtrip itinerary with scheduled ports of call in Port Canaveral, Great Stirrup Cay, and Nassau. Prices start at \$449* per person.

The *Norwegian Gem* offers its own array of dining options, including a French restaurant, an upscale steakhouse, a Japanese teppanyaki restaurant, and more. Among the 11 bars and lounges are an internet café and the Bliss Ultra Lounge, which is described as "being inspired by all things spherical and out of space" and boasts the cruise industry's first bowling alley. The *Norwegian Gem* sails from New York on March 19th, on a seven-day roundtrip itinerary with scheduled ports of call in Port Canaveral, Great Stirrup Cay, and Nassau. Prices start at \$479* per person.

Cruisers who book with Liberty Travel are eligible to receive a stateroom upgrade on these cruises, as well as an electronic coupon booklet worth up to \$400 in savings.
