

Liberty Travel Cruise Blowout Sale Offers A Wide Variety Of Options For Cruisers

Liberty Travel's new Cruise Blowout Sale offers a wide variety of options for travelers looking to book a cruise vacation. It also offers travelers the chance to save as much as \$1200 per couple.

Cruising is a widely popular style of vacation. It is estimated that an average of 30 million travelers take a cruise each year. The Caribbean, Bahamas and Alaska have long been the most popular cruise destinations for U.S. travelers, but other cruise destinations are seeing a surge in popularity. Europe in particular has become a highly sought-after cruise destination, with more and more cruisers booking vacations that sail in the Mediterranean. European river cruises were one of the top travel trends in 2010, and show no signs of slowing down in 2011.

Whatever cruise experience travelers are looking for, they will be able to find it at Liberty Travel during the Cruise Blowout Sale. The promotion features a wide selection of cruises sailing to ports of call all over the world. Examples include:
