

Liberty Travel Has Chance To Win A 7 Day Cruise With Norwegian

Liberty Travel has launched a new giveaway that lets travelers enter to win a 7-day Bahamas cruise with Norwegian Cruise Line. Entries can be submitted at libertytravel.com/contest.

The giveaway opened for entries on March 11, 2011 at 5:00pm. It will close for entries on March 25, 2011 at 4:00pm.

Norwegian Cruise Line is known for the philosophy of Freestyle Cruising[®], which gives passengers freedom to define their own style of cruise vacation, choosing from an array of options for dining, activities, and accommodations. This approach is different than many other cruise lines, where things like dining and dress code operate on fixed schedules. This added level of choice offers much appeal to cruisers, and has helped make NCL one of the world's most popular cruise lines.

The prize is valid on 7-day Bahamas cruises sailing out of New York City. The ships are the *Norwegian Gem* and the *Norwegian Jewel*. Both ships feature performances by Second City[®] comedy troupe, fitness centers, spas, Nintendo Wii™ on two-story screens, waterslides, climbing walls, pools, hot tubs, kid's centers, teen discos and more, as well as individual features that make cruising on each ship a unique experience.

Highlights aboard the *Norwegian Jewel* include 12 restaurants specializing in a variety of cuisine, such as Asian, Russian and Italian; and 11 bars and lounges, including the Sky High Bar, a beer garden that resembles a hot air balloon. *Norwegian Jewel* is also one of a select number of Norwegian Cruise Line ships to feature Nickelodeon[®] at Sea, where cruisers can hang out with characters like SpongeBob SquarePants and Dora the Explorer, and enjoy "family style nautical nonsense" like Slime TV LIVE.

The *Norwegian Gem* offers its own array of dining options, including a French restaurant, an upscale steakhouse, a Japanese teppanyaki restaurant, and more. Among the 11 bars and lounges are an internet café and the Bliss Ultra Lounge, which is described as "being inspired by all things spherical and out of space" and boasts the cruise industry's first bowling alley.

Some sail dates are restricted and all are subject to availability. The winner will be selected in a random drawing on March 31, 2011 and contacted with instructions on how to redeem their prize. Full terms and conditions are available on the giveaway's entry page.

The giveaway coincides with Liberty Travel's Cruise Blowout Sale. To inquire about booking a cruise, contact a Liberty Travel Vacation Expert at 1.877.LIBERTY or by visiting libertytravel.com.
