

At Liberty Travel Save 60 Percent at Sandals Emerald Bay

Couples looking for luxury in an idyllic island setting will find exactly what they are looking for at Liberty Travel. The travel agency currently has an offer for 60% off stays at Sandals Emerald Bay.

Sandals Emerald Bay is an incredible experience for romantic couples. Set on 500 tropical acres on the island of Great Exuma (one of the Out Islands of the Bahamas), the resort welcomes guests to an atmosphere of seclusion. The property opens onto the ivory sands of Emerald Bay Beach—a mile-long, private, pristine and protected stretch of sand that boasts the kind of natural beauty usually reserved strictly for uninhabited islands. The waters are clear enough to see to depths of up to 70 feet.

While guests at Sandals Emerald Bay enjoy the romance of a secluded slice of paradise, they also get to revel in all the included amenities of one of the world's top names in all-inclusive resorts, one that has been called "the pinnacle of all-inclusive excellence in the Caribbean." Premium brand drinks, gourmet dining and luxurious accommodations are hallmarks of the Sandals Resorts experience, and guests at Sandals Emerald Bay can see firsthand why a stay at Sandals Resorts is called "a Luxury Included® vacation for two people in love."

Highlights of Sandals Emerald Bay include five unique restaurants and numerous bars—including an actual Irish pub that was purchased in Ireland and transported to the Bahamas. There is also a half-acre zero-entry pool with a fire-pit at its center, Bali beds on the beach, a 29,000 square-foot Red Land® Spa (which, in an exclusive to Sandals Resorts, is the world's first spa to utilize the acclaimed Dermalogica® line of advanced skin care products), and a Greg Norman-designed golf course that has been voted one of the best in the Caribbean by *Travel + Leisure Golf*.

With the 60% off savings, pricing for a four-night stay at Sandals Emerald Bay begins at \$1,275* per person.

All Sandals resorts cater to a couples-only clientele, while their sibling brand, Beaches Resorts, welcomes couples and families to "a Luxury Included® vacation for everyone."
