

Win A 6 Day Australian Adventure At Liberty Travel

As part of a newly launched promotion on Australia travel, Liberty Travel is giving away a 6-night trip for two to Australia that includes hotel accommodations and roundtrip airfare to Sydney.

This trip for two includes: Roundtrip flights to Sydney on Qantas, three nights accommodations at Sebel Pier One Sydney, two passes to the Harbour BridgeClimb (a popular attraction in Sydney that offers and up close, hands on look at Harbour Bridge, one of the city's iconic landmarks), and three nights at any Mecure hotel in Australia (with over 30 hotels to choose from).

To enter the giveaway, travelers can visit libertytravel.com/contest and click on the link to the Australian Adventure giveaway entry page. There, they are required to provide contact information as well as answer three trivia challenge questions about Australia. All three questions must be answered correctly in order for the entry to be eligible for the prize, but entrants may use any source of information they wish in deciding their answers.

The giveaway opens for entries at 5:00pm on Friday January 14th, and will close for entries on Jan. 27th, 2011. The winner will be selected at random in a drawing on February 4th, 2011. Full terms and conditions are available online.

The giveaway coincides with Liberty Travel's Great Aussie Sale, a promotion that features savings and added-value offers on independent and escorted vacations that visit popular Australian destinations such as Sydney, Alice Springs, Ayers Rock, Cairns and the Great Barrier Reef.

To prepare for the sale, many of Liberty Travel's Vacation Experts have undergone intensive training programs to increase their knowledge of travel in Australia, and have been certified "Aussie Experts" by The Australian Tourism Board.

Travelers who don't want to wait to see if they've won the contest and would like to book a trip to Australia during the sale can contact a Liberty Travel Aussie Expert by calling 1.800.447.1559 or inquiring online at libertytravel.com.
