

At Liberty Travel Save 10 Percent on Globus European Vacation

For a limited time Globus, the world's leading tour operator, is offering 10% off select European vacations* in 2011. Travelers can book their Globus European vacation with Liberty Travel.

With their long, rich history and magnificent modern day attractions, European countries such as Spain, Italy and Great Britain are highly sought-after destinations for U.S. travelers.

This limited time offer from Globus offers travelers who want to experience these countries in 2011 a chance to save when they book one of several incredible vacations, including the 9-day "Britain Sampler," the 9-day "Spectacular Spain," and the 8-day "Italy's Great Cities."

The world's leading tour operator, for more than 80 years Globus has been crafting dynamic and fascinating guided vacations that immerse travelers in local culture, landmarks, stories, history, and culinary flavors of their destination, cumulating in a unique and inspired travel experience that transforms and enlightens.

Globus tours are lead by an Expert Tour Director who shares knowledge and unique stories of landmarks, cities, villages and countries with his or her fellow travelers. Travel is comfortable, with accommodations in first-class hotels and transportation by deluxe motorcoach. Included in the package price are some meals and VIP access to major sights. Itineraries offer a balance between planned activities and free time for travelers to explore on their own.

Globus has been honored with countless industry awards, including *Travel Weekly's* Reader's Choice Awards three years running and *Recommend* magazine's Best Tour Operator to Europe for more than 10 consecutive years. The Globus family of brands is a member of Sustainable Travel International (STI).

To book a 2011 European vacation with Globus--and take advantage of the 10% savings per person--travelers can contact a Liberty Travel Vacation Expert by calling 1.877.LIBERTY or by visiting libertytravel.com and submitting an inquiry online.
